Hands-on Exercise No. 1 **Batch: 03** **Freelancing**	**Total Marks: 10**

Solution:

In this Exercise Solution, Demo User is referred as a dummy freelancer to create a freelancer's profile covering the information i.e. skill set, tagline, and description accordingly.

Please follow the given steps to complete this exercise:

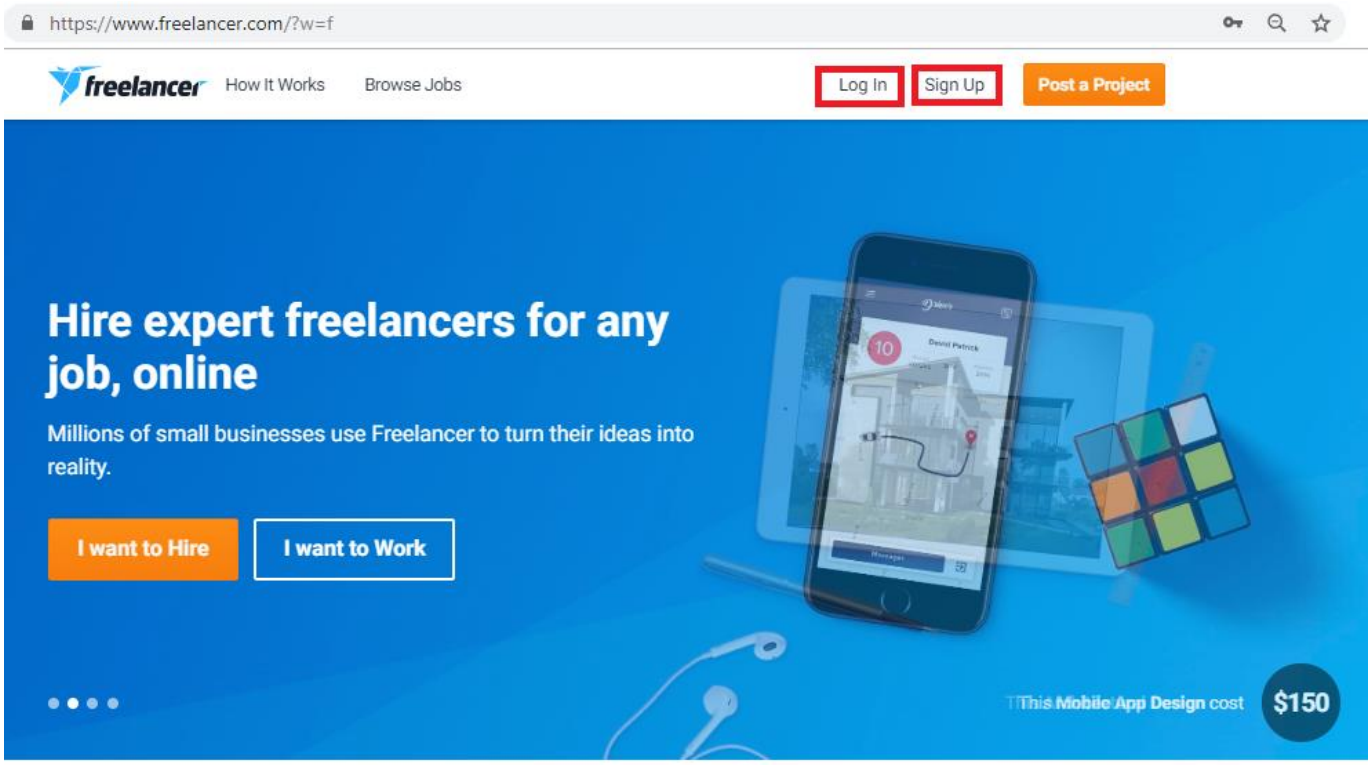

1. **Identify and mention your Skill**

The selected skill to offer services as a freelancer is **"Virtual Assistance".**

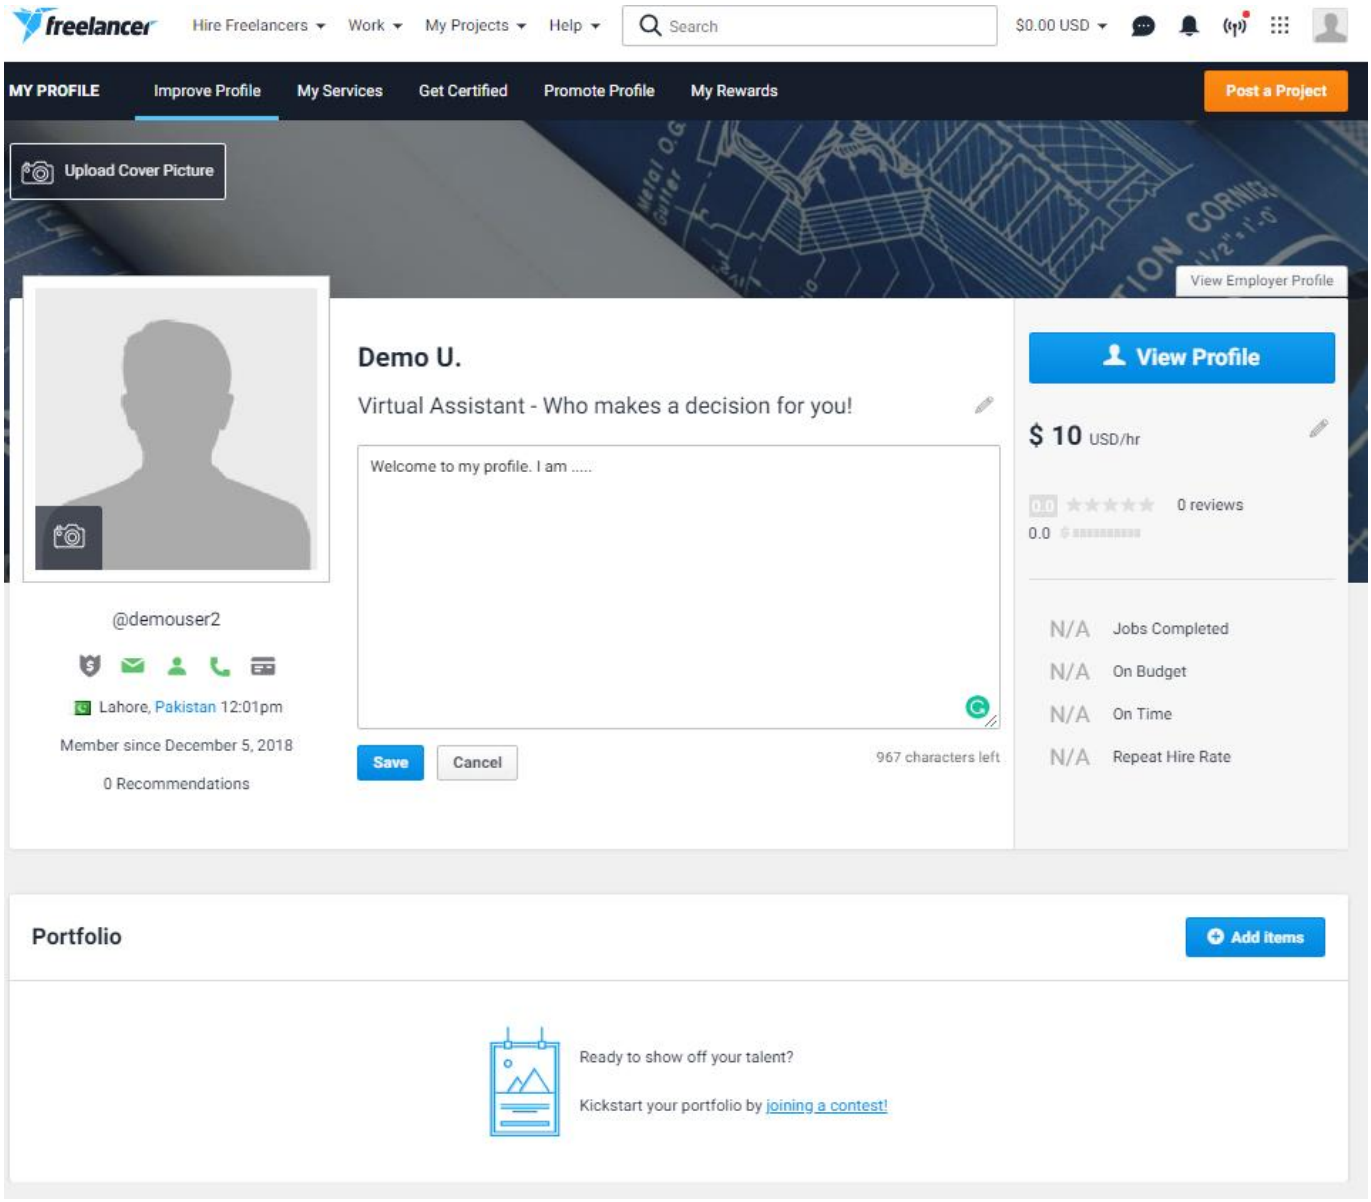

2. **Create account as a Freelancer**

Freelnacer.com is the selected platform to create a freelancer account.

If you look at the screenshot, you can see the Freelancer.com page having the "sign up" button for registration and "Log in" button for account login.

After successful account creation, you can add the required information to complete your profile (i.e. skill, tagline and description) as shown below:

3. Tagline and Description for my Profile

- **Tagline**

Select an impressive professional tagline for your freelancer profile for example:

"Virtual Assistant - Who makes a decision for you!"

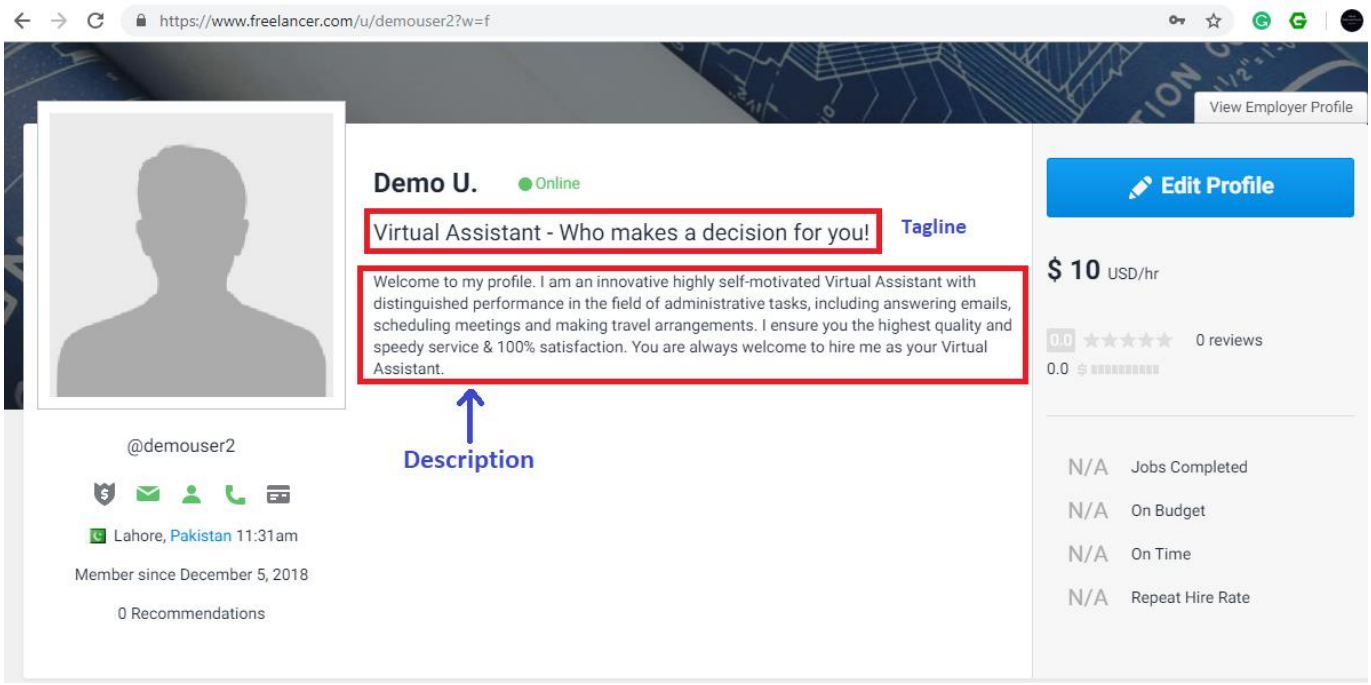

- **Profile Description**

Write a professional profile description which contain details about your skills and experience. For example:

"Welcome to my profile. I am an innovative, highly self-motivated Virtual Assistant with distinguished performance in the field of administrative tasks, including answering emails, scheduling meetings and making travel arrangements. I ensure you the highest quality and speedy service & 100% satisfaction. You are always welcome to hire me as your Virtual Assistant."

4. Profile Screenshot

After completing the profile successfully, take the screenshot as shown below:

Thank You! ☺
